Active and Investment Advisory Conditions

For Active and Investment Advisory mandates and all other services and operations, the other conditions of the List of Terms and Conditions will apply. The All Inclusive commission Active and Investment Advisory includes the commission for account management, securities trading (ticket fees and brokerage) as well as custody fees. For fiduciary deposits, CHF 50 per placement is applied to reimbursement. The All Inclusive commission does not include fees for numbered accounts, mail holding service, third party charges and tax reporting services.
